

◀ GLAMOROUS

Modern design meets traditional craftsmanship in the new Reve suite. The freestanding tub is constructed of cast iron and features a generous bathing well, dual lumbar support and slotted overflow while the generous fireclay pedestal is a sultry work of art. Paired with the sleek Purist faucet in polished chrome for a well appointed interior. (Pedestal \$271, Tub \$3650, Faucet \$366; [www.kohler.com](http://www.kohler.com))

◀ ACCESSIBLE

Engineered to meet ADA guidelines, the Elevance rising wall bath is an excellent tub for "aging in place." A stylish alternative to walk-in and institutional looking options, it offers a relaxing bathing experience with added accessibility. Sit down with ease as you enter and enjoy a soak or bubble massage. (Starting at \$8775; [www.kohler.com](http://www.kohler.com))

▲ EXTRAORDINARY

Numi is Kohler's most advanced toilet. It combines unmatched design technology and engineering to bring you the finest in personal comfort and custom cleansing. Its features include a motion activated lid and seat, advanced bidet functions, an integrated air dryer, deodorizer, a heated seat, a foot warming function, illuminated panels, music, a touch screen remote and personal customization (of preferences) for each user. (Starting at \$6400; [www.kohler.com](http://www.kohler.com))

▲ FANTASTICO

Italy is known for the development of their traditions and specialty skills in the area of exotic stone. Antolini Luigi is the leading distributor of dimensional stone in the world and his namesake company provides natural, semi precious and gemstone quality materials to the world. Golden Cobra is a stunning multicolored marble of incredible color depth from Italy. (Prices available upon request; [www.antolini.com](http://www.antolini.com))

# What's new, what's next

## AU COURANT BATH TRENDS

▼ SPOT ON

Kohler is known for their color innovations and this year they introduced the gentle hue of Dune to support the popularity of cool toned surfaces. Soft and natural, this color captures the quality of reflected light that glows from shifting desert sands and is available on more than 1500 pieces in their collection. ([www.kohler.com](http://www.kohler.com))

► SCULPTURAL

The Brut pendant and Shift cabinet pull are two exceptional designs from the 27 piece collection designed by Ted Boerner for Rocky Mountain. Cast in recycled, art-grade bronze, his five collections include door hardware and cabinet pulls. These sculptural and organic accessories are available in nine different patinas for ultimate customization. (See local dealer for pricing; [www.rockymountainhardware.com](http://www.rockymountainhardware.com))
